Central States Institute of Addiction Selects Sequest’s TIER Solution to Maintain Database Integrity and Streamline Business Processes.

Lisle, IL (March 31, 2009) -- Sequest, a leading business solutions and software provider for the health and human services industry, announced that Central States Institute of Addiction an agency of Catholic Charities of the Archdiocese of Chicago purchased Sequest’s TIER® Solution. Central States Institute of Addiction completes multidimensional assessments on DUI offenders to determine risk to public safety and recommends a variety of intense interventions. The new TIER process design will replace the current in house product.

“Over the past 5 years we have searched for a software product with a proven record for improving client services and streamlining business processes. Sequest’s TIER Solution met these requirements. Their long term partnerships with local and national leaders in the field of substance abuse added to our confidence in the product. ” states Kevin Doyle, Department Director.

Sequest’s CEO, Bill Connors added “Sequest is delighted to have Catholic Charities of the Archdiocese of Chicago both in terms of the excellent work they do and also being located in Chicago. We are excited to participate in this project and to help optimize their operations while improving client results.”

+++++

About Catholic Charities of the Archdiocese of Chicago and Central States institute: Central States Institute started in the addictions field in 1963. Its clinical database of over 370,000 assessments on DUI offenders is one of the largest in the world. Catholic Charities of the Archdiocese of Chicago, now in its 92nd year, is one of the largest private, not-for-profit social service agencies in the Midwest, annually assisting more than 1 million persons in Cook and Lake counties without regard to religious, ethnic or economic background. Catholic Charities fulfills the Church's role in the mission of charity by providing compassionate, competent, professional services that strengthen and support individuals, families and communities.

About Sequest: Sequest Technologies, Inc., based in Lisle, IL, is a recognized leader in innovative solutions and software products for the health and human services industry.
