John Raden joins Sequest as Chief Operating Officer.

Lisle, IL. (March 1, 2010) –Sequest announced today that effective March 1, 2010 Mr. John Raden will join the Sequest leadership team as Chief Operating Officer. The addition of John Raden partners together two of the markets most skilled and recognized solution leaders; Sequest CEO, Bill Connors and Sequest COO, John Raden.

John Raden arrives at Sequest as one of the preeminent leaders in the field. As former CEO of The ECHO Group, John brings extensive and well-known hands-on experience as well as proven leadership within the software vendor-care provider partnership. In his former position he directed the company with over thirty-one years of domestic and international business experience managing the full breadth of the business. He has served 3 years on the Software and Technology Vendors Association (SATVA) Board of Directors and recently held the Chairman position. He has been a key industry presenter across the country from the California Institute of Metal Health to the Michigan Director Conferences. Other key positions for Sequest were Mr. Raden's deep understanding of 3rd party billing processing services. He was President of Acadia National Health Systems a national billing services company where he gained the critical experience necessary to understand the needs of the customers. This experience will immediately provide experience and leadership within Sequest Healthcare Billing Inc.

"I am extremely excited to have John join our leadership team. I have competed against John in the marketplace as well as partnered with him within SATVA- his integrity, professionalism and commitment to the market have made him a leader within our industry and an energizing and welcomed addition to Sequest.

Bill Connors, MSW
Sequest President/CEO

"My appointment to Sequest Technologies allows me a very unique opportunity to join an extremely knowledgeable team focused on improving the quality of life for

consumers in the care system of the behavioral sciences. I look forward to contributing to the strong organization that Bill and his senior management has built.”

John Raden
Sequest Chief Operating Officer

Mr. Raden will serve as COO of both Sequest companies; Sequest Technologies, Inc. Lisle, Illinois based software and services company as well as Sequest Healthcare Billing, Inc. a newly launched billing services company based in Salem, New Hampshire. The two companies continue to deliver Sequest Solutions to their Health and Human Services partners and have experienced tremendous growth in 2009 and Q1 of 2010.

About Sequest: Sequest Technologies, Inc., based in Lisle, IL is a recognized leader in innovative solutions and software products for the health and human services industry. Their expertise in streamlining financial, clinical and management processes greatly improves efficiencies and ultimately enhances patient care. The benefits of Sequest span a broad sector whose clients include mental health and substance abuse clinics, psychiatric hospitals and social services organizations. With over 25 years in the industry, Sequest is highly respected by both CEOs and practitioners alike for its healthcare experience and customer-centric approach. Today, Sequest develops more than just Electronic Medical Record Systems for providers. This forward-thinking company continues to create dynamic, new connections between providers and patients that are helping transform practices and the industry as a whole.
