"I am delighted to have Sequest Technologies, Inc. and Sequest Healthcare Billing, Inc. work in concert to successfully provide our products and services to Seven Hills Foundation. This project allowed our team to demonstrate our companies 21 years of industry experience and knowledge.

"By broadening our scope of services to include reimbursement strategies, we continue our commitment to be the industry leader by providing unanticipated value to our partners," stated Mr. Bill Connors, MSW, CEO Sequest Healthcare Billing, Inc.

Mr. Joe Tosches, Seven Hills Senior VP/COO commented that "It was very important that Seven Hills Foundation find an organization that could provide us the confidence and stability to execute this very complex project. The accuracy of the conversion to TIER® and Sequest Healthcare Billing gave us the confidence that we had selected a trusted partner."

The Seven Hills implementation was led by one of the industry's most experienced and talented experts, Ms. Fran Motta.
